Part V: AUTHORIZATIONS AND SIGNATURES

A. *Grants that benefit the Plymouth Public Schools*

- Programs offered at a single school require the authorizing signature of that school’s principal.
- Programs available at more than one school should have the authorizing signature of each school’s principal.
- Programs that involve all schools require an authorizing signature from Central Administration personnel such as the Director of Curriculum or the Superintendent of Schools.
- Professional Development Grants require the authorizing signature of a department chairperson (where applicable) and school Principal.

B. *Applications for programs that benefit the Plymouth Community*

- Community based grants require the authorizing signature of an appropriate representative from each organization to be involved in the funded project

C. *All Grants that include funding for equipment*

- The Plymouth Educational Foundation will only fund equipment for which there is a demonstrated need and which plays an integral part of a grant request. Any equipment funded by a PEF grant becomes the property of the organization it is intended to benefit (i.e. schools, library, etc.) and a signature from that organization is required on the application at the time of submission.
